How To Book: Step-By-Step Guide

STEP 1: Once you are ready to make a booking, you will be asked to select the type of tickets you require for each group member.

STEP 2: Please select a Personal Assistant concession ticket for the adult on your booking who is attending as the Personal Assistant. Only **one PA concession ticket may be selected during the booking process**. This allows us to monitor allocations and manage availability fairly across all guests.

STEP 3: Please ensure **all required tickets are purchased at the time of booking**. Where eligibility criteria are met, standard tickets may be amended to PA tickets after booking, subject to approval.

STEP 4: You do not need to provide your PA concession ticket evidence at the time of booking. You will need to submit your **PA evidence via the form in the confirmation email**, which you will receive when you book your tickets. Accepted Eligibility evidence is listed in the information below.

STEP 5 : When your evidence has been received, your PA ticket will be approved.

STEP 6 : To apply for additional PA tickets, please see information below.

STEP 7 : Contact us if you need any assistance relating to your PA ticket.

Two Families Within One Booking

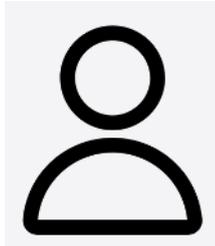

If two separate families are visiting under a single booking, one PA ticket should be selected during the booking process. Once the booking is confirmed, a second eligibility form may be requested. Upon receipt and approval of the required evidence, a second PA ticket may be added.

Children Who Need An Accompanying PA Ticket

All children are required to be accompanied by an adult when visiting Lapland UK. As a result, purchasing an accompanying adult ticket does not create any additional attendance cost beyond the standard booking requirements applicable to all guests.

We recognise that a supporting adult may spend time assisting a child during their visit. In acknowledgement of this, we offer Personal Assistant (PA) tickets at a **50% reduced rate** as part of our accessibility arrangements.

You will be able to add **one PA ticket** to your booking when you purchase tickets online. After completing your booking, you will receive a confirmation email containing instructions to submit your PA eligibility evidence (listed below) via the online form.

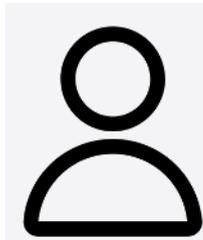

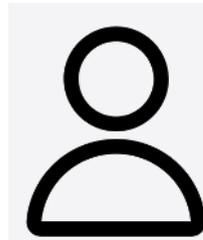

Example 1: Child requires access support from their accompanying adult

More Than One Child In The Group Needs Support

For your first Personal Assistant ticket, you will need to submit your eligibility evidence using the form included in your booking confirmation email.

If more than one child in your booking requires support, please contact accessibility@laplanduk.co.uk to request an additional PA ticket. A second eligibility form will then be issued for completion.

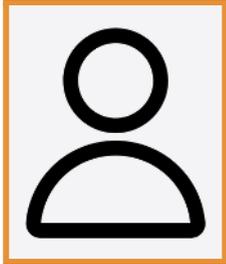

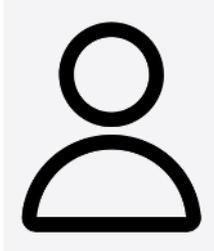

Guests should purchase their required tickets at the time of booking. Following submission and approval of the required eligibility evidence, the booking will be amended to include the PA concession and a 50% refund will be processed for the relevant ticket.

Adults Of Believing Age Who Need Support

For adults with a believing age, for example guests with a learning disability, we invite families to book them under a child's ticket. PA tickets for these guests are the same as they are for a child's ticket, please see the section above for details.

We respectfully acknowledge that adults with a learning disability are adults, not children. The wording on the ticket just helps us to make sure these guests get the same wonderful immersive experience, including receiving a personalised invitation, taking part in all activities, sharing a special moment with Father Christmas, and receiving gifts.

FAQs

Do PAs count towards the maximum booking of 8 per group?

Yes. Personal Assistant tickets count towards the maximum of 8 guests per booking due to space limitations within each area.

Do I need a +1 symbol on my access card?

Yes. Our current eligibility system operates as follows:

Child requiring a Supporting Adult (50% concession):

Any recognised access documentation from our approved list (above) is accepted.

Child requiring 2:1 support:

Supporting evidence in these circumstances may include documentation from a care agency, an Education, Health and Care Plan (EHCP), or an Access Card with a +2 symbol confirming that 2:1 support is essential.

Adult requiring a PA:

Supporting evidence in these circumstances may include Access Card +1 symbol, enhanced PIP (enhanced rate) front page of letter.

Please note that, as we are a child-centred family event with unique access considerations, this approach forms part of our current reasonable adjustments framework.

Terms of the PA ticket

A Personal Assistant must be over the age of 16 and able to support the guest's access needs.

PA tickets must be arranged before your visit, when you book your other tickets (or by email soon after if there was a booking issue online). It is not possible to apply for any PA tickets or discounts on the day. All PA tickets must be booked and approved prior to your visit, including Superstar Day.

All evidence needs to be in the name of the person requiring access support. Letters such as Carer's allowance may be addressed to a parent or guardian as long as the child is named in the letter.

Please note, if you do not send in your documents, the PA ticket will have to be removed from the booking. Get in touch with us at accessibility@laplanduk.co.uk if you are having any problem and we will try our best to advise.
